

a people a nation pdf

A nation is a stable community of people, formed on the basis of a common language, territory, economic life, ethnicity, or psychological make-up manifested in a common culture. A nation is distinct from a people, and is more abstract, and more overtly political, than an ethnic group. It is a cultural-political community that has become conscious of its autonomy, unity, and particular interests.

The English word "China" is first attested in Richard Eden's 1555 translation of the 1516 journal of the Portuguese explorer Duarte Barbosa. The demonym, that is, the name for the people, and adjectival form "Chinese" developed later on the model of Portuguese chinÃas and French chinois. Portuguese China is thought to derive from Persian ChÄ«n (), which may be traced further back to Sanskrit ...
