advanced autogenic training and pdf

MAGICAL STATES AND AUTOGENIC TRAINING Magical states are kin to hypnotic states. Many of the more advanced magical states compare to very deep hypnotic states. However there are also significant differences between

Autogenic - Welz

Training is teaching, or developing in oneself or others, any skills and knowledge that relate to specific useful competencies. Training has specific goals of improving one's capability, capacity, productivity and performance. It forms the core of apprenticeships and provides the backbone of content at institutes of technology (also known as technical colleges or polytechnics).
