The term, "non-governmental organization" or NGO, came into use in 1945 because of the need for the UN to differentiate in its Charter between participation rights for intergovernmental specialized agencies and those for international private organizations. At the UN, virtually all types of private bodies can be recognized as NGOs.

4 IP No. 29 An Introduction to NA Meetings 5 Groups often mark or sign attendance sheets or court cards as a courtesy to people who request it, but some groups and members choose not to do so. If needed, it is best to ask how the group handles this before the meeting begins. Most groups provide schedules or directories of other local NA meetings.

This introduction to R is derived from an original set of notes describing the S and S-Plus environments written in 1990 by Bill Venables and David M. Smith when at the University of Adelaide. We have made a number of small changes to reflect differences between the R and S programs, and expanded some of the material.
