

british and american culture pdf

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. Similarly, the language spread to numerous other parts of the world as a result of British trade and colonisation elsewhere and the spread of the former British Empire, which, by 1921, held sway over a population of 470–570 million people, approximately a ...

Comparison of American and British English - Wikipedia
