Link building is one of the most challenging aspects of SEO. But it also has a HUGE impact on where your site ranks in the SERPs. (this has been shown time and time again in pretty much every ranking factors study). Some people, however, still argue that Google's reliance on backlinks is diminishing, but let's be real here: Backlinks aren't going anywhere any time soon.

## **17 Killer Link Building Strategies for 2018 (and Beyond)**

At the beginning of this year Structured Dynamics assembled a listing of ontology building tools at the request of a client. That listing was presented as The Sweet Compendium of Ontology Building Tools. Now, again because of some client and internal work, we have researched the space again and updated the listing
