New York State and Local Sales and Use Tax ST-121 Exempt

For declaration of conformity see Conformance mark. Type approval or certificate of conformity is granted to a product that meets a minimum set of regulatory, technical and safety requirements. Generally, type approval is required before a product is allowed to be sold in a particular country, so the requirements for a given product will vary around the world.

Type approval - Wikipedia

NOAA Fisheries works to ensure confidence in U.S. seafood by protecting and strengthening the seafood market through global trade, establishing partnerships with industry and consumer groups, providing seafood inspection services, and analyzing seafood safety risks.
