Glencoe textbook, Chemistry: Matter and Change. For each chapter in the Glencoe textbook, Chemistry: Matter and Change, two pages of chapter review questions have been provided. These questions are designed to test your comprehension of chapter content and provide you with practice in the related skills specified in the NSCS.

### **Reviewing Chemistry - Student Edition - Glencoe**

The answer to this question can be illustrated by real-life events that involve two discoveries. One discovery involves something that you probably use every day—refrigeration. If you go to school in an air-conditioned building or if you protect your food from spoilage by using a refrigerator, this discovery is important to you.
