In many exam questions, you will be told what to include in your reply. Make sure that your reply answers any questions that you were asked in the task and takes into account any additional information that you have been told to mention. It is important that you include these in order to get a good grade.

I want to know: what's the best way to correct students when they make a mistake, especially when they are speaking? Introduction. Everyone makes mistakes, even speakers using their own language when they are hurried, "lost for words"™, or forced into inappropriate language by a difficult or unusual situation.
