The federal judiciary is respected throughout America and the world for its excellence, for the independence of its judges, and for its delivery of equal justice under the law. Through this plan, the judiciary identifies a set of strategies that will enable it to continue as a model in providing fair and impartial justice.

Strategic Plan for the Federal Judiciary | United States

When you have a child with a disability who does not qualify for special education but could benefit from a few accommodations in school, a 504 plan may be able to help. Part of a civil rights law, a 504 plan is developed at the school level to customize a student's learning environment to meet their specific needs.

An asset management plan (AMP) is a tactical plan for managing an organisation's infrastructure and other assets to deliver an agreed standard of service. Typically, an asset management plan will cover more than a single asset, taking a system approach - especially where a number of assets are co-dependent and are required to work together to deliver an agreed standard of service.

Asset Management Plan - Wikipedia

Shifting the Balance. The pdf files below contain photographs of the meals featured on the BNF poster, Shifting the Balance. The cards can be used as a starter activity to engage pupils into healthy eating and nutrition principles quickly, provide a quick instant display or act as a stimulus for design work, e.g. lower fat product development.
