In computer security, a hacker is someone who focuses on security mechanisms of computer and network systems. While including those who endeavor to strengthen such mechanisms, it is more often used by the mass media and popular culture to refer to those who seek access despite these security measures. That is, the media portrays the 'hacker' as a villain.

Cracker, sometimes white cracker or "cracka", is a colloquial term for white people, used especially for poor rural whites in the Southern United States. It is also at times used indiscriminately and pejoratively against any person of white background. However, it is sometimes used in a neutral or positive context or self-descriptively with pride in reference to a native of Florida or Georgia ...

Remember, what is the strategy of the enemy concerning migrants? Throw in a few families and the people will resist (we saw this in Romania recently when the entire township of Ardu rose up against any hint of a plan to bring a tiny number of refugees there). However, flood the nation with hundreds of thousands in a kind of shotgun approach, and the people will give up.
