2.5 stars rounded up. I am fairly certain this is the last Lisa McMann's book I will ever read. Both Gone and Cryer's Cross just don't have the emotional pull of her first 2 novels. If you read the author's books before, you are familiar with her writing style - 3rd person present tense narration.

Cryer's Cross by Lisa McMann

Cryer's Cross by Lisa McMann I have read the wake series by Lisa McMann a few years ago and I loved it so when I saw this book for \$3 at Books a Million I couldn't say no. There is a lot of tension that builds throughout the entire book but it isn't until the last few chapters that we even get a hint to what is going on.
