

cse cbe citation guide pdf

A citation is a reference to a published or unpublished source. More precisely, a citation is an abbreviated alphanumeric expression embedded in the body of an intellectual work that denotes an entry in the bibliographic references section of the work for the purpose of acknowledging the relevance of the works of others to the topic of discussion at the spot where the citation appears.

Citation - Wikipedia

In the books citation, note the following: abbreviation of authors first name (one or both initials ok); capitalize title as if it was a sentence; the title is not underlined (contrary to literary format)

Formatting citations in databases Some database providers, such as EBSCO and ProQuest, allow you to format references using a particular style (ex. APA, Chicago, MLA, etc.), and email or print these formatted references.. Note: Always review the citations formatted by the database. Compare results with style guidelines listed on this guide for the exact formatting and punctuation.
