

### **divorce a biblical christian pdf**

the divorce rate increased in the 1960s, few would have predicted its dire consequences three decades later. Yet divorce has changed both the structure and the impact of the family. This is not just the conclusion of Christians, but also the conclusion of non-Christian researchers working in the field.

### **Divorce – A Biblical Christian Perspective**

However, divorce is not required. If your spouse has committed adultery, divorce is morally allowed, but not required. Many couples have been able to rebuild their marriages even after such a devastating blow. When one spouse is not a Christian, and that spouse willfully and permanently deserts the Christian spouse (1 Corinthians 7:15).
