The economy was the primary focus of the debate. The family is the primary social unit of human life. The primary function of our schools is to educate our young people. We just started our primary flight training. The book is based mainly on primary sources rather than secondary sources.

### **Primary | Definition of Primary by Merriam-Webster**

Primary care is the foundation of the U.S. health care system. It includes the treatment of common conditions, illnesses, and accidents, as well as preventive services and the ongoing treatment of individuals with chronic disease. Effective primary care is the patient's entry point to the care delivery system.
