Drifting House by Krysl ee is a spare, lyrical, heartbreaking collection of short stories about the Korean and Korean diaspora experience. The book presents a mosaic, each tile a sad portrait of unique characters and a different set of difficulties.

### **Drifting House by Krysl ee - Goodreads**

Drifting House Krysl ee The day the siblings left to find their mother, snow devoured the northern mining town. Houses loomed like ghosts. The government's face was everywhere: on the sides of a beached cart, above the lintel of the post office, on placards scattered throughout the surrounding mountains praising the Dear Leader Kim Jong-il. And in the grain sack strapped to the oldest brother Woncheol's back, their crippled sister, the weight of a few books.

More brazenly, Krysl ee sets out in horrific detail the scene of a daughter making the first sexual gambit towards her father in The Believer. These sexual aberrations do not feel, and are not meant to be, freeing; rather, they seemed to be the rafting to the surface of unconscious psychoses inflicted by tragedy, war, separation, loss and death.

### **the short review: Drifting House by Krysl ee**

We don't need Lee to explain to us "and she doesn't try" that the boy's horror at what he's done, the haunting which follows, can be traced back to the failures of the state. "Drifting House" is the only story set in North Korea.

Krys Lee's debut story collection is such a book. Drifting House is important for its heartbreaking depiction of the often horrifying plight of North and South Korean immigrants struggling to find dignity and self-definition in their new lives. It introduces us to a subject as old as human struggle itself, and a powerful new writer of highly lyrical gifts.
