Energy medicine, energy therapy, energy healing, psychic healing, spiritual medicine or spiritual healing are branches of alternative medicine based on a pseudo-scientific belief that healers can channel healing energy into a patient and effect positive results. This idea itself contains several methods: hands-on, hands-off, and distant (or absent) where the patient and healer are in different ...

Acute and chronic neck and lower back pain represent major health care problems in the United States. An estimated 75% of all people will experience back pain at some time in their lives. Most patients who present with an acute episode of back pain recover without surgery, while 3-5% of patients presenting with back pain have a herniated disc, and 1-2% have compression of a nerve root.

Purpose. Diabetic peripheral neuropathy (DPN) is the commonest cause of neuropathy worldwide, and its prevalence increases with the duration of diabetes.

### **Diabetic Peripheral Neuropathy: Epidemiology, Diagnosis**

Alcoholic polyneuropathy (A.K.A alcohol leg) is a neurological disorder in which peripheral nerves throughout the body malfunction simultaneously. It is defined by axonal degeneration in neurons of both the sensory and motor systems and initially occurs at the distal ends of the longest axons in the body. This nerve damage causes an individual to experience pain and motor weakness, first in the ...
