This part of the globalissues.org web site looks at the conflict in the Democratic Republic of Congo. Media coverage is poor and yet there have been millions of refugees and over five million killed since the war began around August 1998. Yet the rich country leaders and their media drew everyone's attention to 2000 ethnic Albanians being killed in Kosovo (to gain support for a war there).

In a major contribution to the on-going debate on imperialism, Patrick Bond argues that an explanation of imperialist political-economy and geopolitics must incorporate subimperialisms. John Smith's old-fashioned binary of North/South prevents him from fully engaging with David Harvey's overall

concern about uneven geographical development.
