

henrietta lacks dialectical journal pdf

The following overview should help you better understand how to cite sources using MLA eighth edition, including the list of works cited and in-text citations.

MLA Formatting and Style Guide // Purdue Writing Lab

Social stratification is a kind of social differentiation whereby a society groups people into socioeconomic strata, based upon their occupation and income, wealth and social status, or derived power (social and political). As such, stratification is the relative social position of persons within a social group, category, geographic region, or social unit.
