

**history of the filipino pdf**

Filipinos in what is now the United States were first documented in the 16th century, with small settlements beginning in the 18th century. Mass migration did not begin until the early 20th century, and for a period the History of the Philippines merged with that of the United States.

**History of Filipino Americans - Wikipedia**

The history of the Philippines is believed to have begun with the arrival of the first humans using rafts or boats at least 67,000 years ago as the 2007 discovery of Callao Man suggested.

**History of the Philippines - Wikipedia**

America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought.
