

international criminal law notes pdf

International criminal law is a subset of international law. As such, its sources are the same as those that comprise international law. The classical enumeration of those sources is in Article 38(1) of the 1946 Statute of the International Court of Justice and comprise: treaties, customary international law, general principles of law (and as a ...

International criminal law - Wikipedia

The International Criminal Court (ICC or ICCt) is an intergovernmental organization and international tribunal that sits in The Hague in the Netherlands. The ICC has the jurisdiction to prosecute individuals for the international crimes of genocide, crimes against humanity, and war crimes.

International Criminal Court - Wikipedia

Georgetown Law students can schedule an individual research consultation with a reference librarian for assistance with papers or other research projects.
