Frequently asked questions about Offensive Security, our training, certification exams and penetration testing services.

Offensive Security FAQ

Welcome back my aspiring honeypot hacker enthusiasts! I previously wrote an article on catching malware with Dionaea. This was a great way to get introduced into the world of honeypots. I then had to step up my game, creating a real live honeypot network. I'll begin explaining this in detail to my all hacker brothers reading this. Please note: This takes a lot of time to setup/trial/error, you ...
