If the dim-sighted magistrate had not glanced about in search of the inkstand, he would not have noticed the boy's frightened expression, and the documents of apprenticeship would have been signed, dooming Oliver to the horrors of cleaning chimneys under a heartless master.

Chapters 3-4 - CliffsNotes

Oliver's reversal in fortune later on will show that his "poverty" was not an essential quality of his character (many in Victorian England, though, did seem to believe that poverty was just that: innate, a product of a person's inner laziness or badness).
