American Journal of Psychiatry

Political abuse of psychiatry is the misuse of psychiatric diagnosis, detention and treatment for the purposes of obstructing the fundamental human rights of certain groups and individuals in a society. It entails the exculpation and committal of citizens to psychiatric facilities based upon political rather than mental health-based criteria. Many authors, including psychiatrists, also use the ...

Behavioral addictions are characterized by diminished control over a behavior and frequently result in illegal activities. Some individuals with gambling disorder, for example, commit forgery, fraud, or theft to obtain money for gambling or to pay gambling debts, whereas kleptomania (compulsive stealing) is associated with shoplifting of items not needed for personal use.
