

post modernism and the pdf

Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

Post-postmodernism - Wikipedia

Post-modern just means "coming after" modernism. The term is used to refer to a period in history (the one we're in now), but it is also used to refer to a set of ideas that "go with" this period in history.

Shifting to 21st Century Thinking » Postmodernism

That postmodernism is indefinable is a truism. However, it can be described as a set of critical, strategic and rhetorical practices employing concepts such as difference, repetition, the trace, the simulacrum, and hyperreality to destabilize other concepts such as presence, identity, historical progress, epistemic certainty, and the univocity of meaning.

Postmodernism (Stanford Encyclopedia of Philosophy)

The What is religion? page of this site gives a very brief outline of postmodernity. This page will provide you with a little bit more detail. Remember, the OCR specification requires that you consider the challenge that postmodernity presented to Christianity and also the ways in which Smart and Cupitt respond to that challenge.
