

proofreading and editing precision pdf

Muphry's law is an adage that states: "If you write anything criticizing editing or proofreading, there will be a fault of some kind in what you have written." The name is a deliberate misspelling of "Murphy's law". Names for variations on the principle have also been coined, usually in the context of online communication, including:

Design and planning resource for classroom teachers, instructional designers, and professors of education. The glossary lists, describes, and provides links for over 800 educational strategies, theories, and activities.

Glossary of Instructional Strategies

An acronym is a word or name formed as an abbreviation from the initial components in a phrase or a word, usually individual letters (as in NATO or laser) and sometimes syllables (as in Benelux).. There are no universal standards for the multiple names for such abbreviations or for their orthographic styling. In English and most other languages, such abbreviations historically had limited use ...
