An airline is a company that provides air transport services for traveling passengers and freight. Airlines utilize aircraft to supply these services and may form partnerships or alliances with other airlines for codeshare agreements. Generally, airline companies are recognized with an air operating certificate or license issued by a governmental aviation body.

A business proposal is a written offer from a seller to a prospective buyer. Business proposals are often a key step in the complex sales processâ€”i.e., whenever a buyer considers more than price in a purchase.. A proposal puts the buyer's requirements in a context that favors the seller's products and services, and educates the buyer about the capabilities of the seller in satisfying their ...
