The Matthew effect, Matthew principle, or Matthew effect of accumulated advantage can be observed in many aspects of life and fields of activity. It is sometimes summarized by the adage "the rich get richer and the poor get poorer." The concept is applicable to matters of fame or status, but may also be applied literally to cumulative advantage of economic capital.

Slow reading is the intentional reduction in the speed of reading, carried out to increase comprehension or pleasure. The concept appears to have originated in the study of philosophy and literature as a technique to more fully comprehend and appreciate a complex text. More recently, there has been increased interest in slow reading as result of the slow movement and its focus on decelerating ...
