Hello everyone! I have awesome news - I have written my first e-book ever! It's called "Awk One-Liners Explained" and it's based on the "Awk One-Liners Explained" article series that I wrote here on my blog a few years ago and that has been read over 800,000 times! I went through all the one-liners in the article series, improved the explanations, fixed the mistakes, added an introduction ...
