12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

PETER FUNT: It's News To Me-These are the best of times, and the worst of times, for being well informed. We have a vast landscape of news sources, yet we tend to view them through a peephole rather than a porthole. If you believe, as I do, that it is a civic responsibility to stay abreast of current events, consider taking a few steps to be a better news consumer.

Storytelling is a means for sharing and interpreting experiences. Peter L. Berger says human life is narratively rooted, humans construct their lives and shape their world into homes in terms of these groundings and memories. Stories are universal in that they can bridge cultural, linguistic and age-related divides.
