"Any given method is only as effective as its implementation." Grammar-Translation Method (1890s-1930s): Around the turn-of-the-century, language students often translated cumbersome volumes from Classical Greek or Latin into English via this approach. It consisted mainly of exhaustive use of dictionaries, explanations of grammatical rules (in English), some sample sentences, and exercise ...

As a classroom teacher, I was largely ignorant of, and definitely suspicious of, research. I believed that researchers could make their studies come out any way they wanted them to, and that a good teacher who reflected on her own teaching knew much more about how to be effective with her students than any researcher did.
