The Duality of Human Nature Theme Analysis - LitCharts

For me the duality of man's nature can best be described as this: the person we are right now versus the person we wish we were. Being human means we make mistakes; we let greed, hate, love, compassion, the full spectrum of human emotions cloud our judgment which leads us to sometimes making the wrong choices in life.

What exactly is the duality of human nature? - Quora

Imprisoned by many different systems like political system, religious system or philosophical system. He also believed that a person consists of two parts, physical and spiritual part. He was convinced that if everyone would release his soul " his spiritual part, that would make him a happy human being.
