It is far from complete, but instead presents a general history of the major event in his world over a span of over 100,000 years. Rather impressive in my opinion. The history is presented as a series of events, some linked some not, some involving important figures in the history or Trollworld, given year by year.

### **The Lone Delver: A Fragmentary History of Trollworld: A Review**

An eye-witness to many of the events he records, Priscus's history is a sequence of intrigues, assassinations, betrayals, military disasters, barbarian incursions, enslaved Romans and sacked cities. Perhaps because of its gloomy subject matter, the History of Priscus was not preserved in its entirety.
