Free The Icon Handbook John Hicks PDF

This is an excellent volume about icon design; its history, usage and techniques. I refer to the size chart almost daily in my work. Beautifully designed book with a lot of interesting historical information.

The Icon Handbook by John Hicks

Which brings me to my friend Jon Hicks, who's written a book, The Icon Handbook that's just been published by my friend Mark Boulton's publishing company Five Simple Steps. This isn't just any book, it's one that Jon has wanted to write for a long time but waited until he found a publisher who could do justice to his vision.

The Icon Handbook by Jon Hicks â€” Stuff & Nonsense

Coomler's handbook is a collection of common icon patterns (line drawings, usually presented backwards or mirror-image) with short descriptions (some better than others). This book is not a theology of iconography, nor is it a devotional work.
