Moral theologians, intellectual historians and cultural critics have variously construed acedia as the ancient depiction of a variety of psychological states, behaviors or existential conditions: primarily laziness, apathy, ennui or boredom.. The demon of acedia holds an important place in early monastic demonology and proto-psychology. In the late fourth century Evagrius of Pontus, for ...

Diagnosis. The ICD-10 is used around the world to diagnose people with illnesses like depression. According to the ICD-10, for a person to be diagnosed with depression, their symptoms have to last for at least two weeks. The symptoms must happen every day, or almost every day. These symptoms also have to cause problems in a person's life (like their work life, family life, social life, or ...
