The following outline is provided as an overview of and topical guide to communication: . Communication â€œ purposeful activity of exchanging information and meaning across space and time using various technical or natural means, whichever is available or preferred. Communication requires a sender, a message, a medium and a recipient, although the receiver does not have to be present or aware ...

LOL, or lol, is an initialism for laugh(ing) out loud and a popular element of Internet slang.It was first used almost exclusively on Usenet, but has since become widespread in other forms of computer-mediated communication and even face-to-face communication. It is one of many initialisms for expressing bodily reactions, in particular laughter, as text, including initialisms for more emphatic ...
