The Agency has developed a Comment Response Tool (CRT) that is used to automate the consultation process for Notices of Proposed Amendments (NPA). The CRT allows users to review NPAs and place their comments. It may be requested to have the executive summary of the NPAs translated by sending an email to RPS within three weeks from the publication of the NPA.

Some of the goods we use in our everyday life seem harmless: hair sprays, lithium batteries, perfume, matches! However they may be very dangerous when transported by air. For your own safety, and to avoid potential fines, it is very important that you carefully read the dangerous goods information ...

Dangerous Goods | EASA

EU OPS is a European Union (EU) regulations specifying minimum safety and related procedures for commercial passenger and cargo fixed-wing aviation. The legislation is known officially as Council Regulation (EEC) No 3922/91 on the harmonisation of technical requirements and administrative procedures in the field of civil aviation.. The regulations are derived from and very similar to JAR-OPS 1 ...

AIR OPS - Wikipedia

Some people say that it is never too late to make a dream come true. In a globalized and technological world, catching a flight has become trivial to many people, so it may seem strange to read that a self-proclaimed "œavgeek" flew for the first time at the age of 19.
